## REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT

Dear Sir:

It is noted that an error appears in this patent of a typographical nature or character as more fully described below and it is believed such error occurred in good faith and correction thereof does not involve such changes in the patent as would constitute new matter or would require reexamination. Accordingly, a Certificate of Correction is requested.

Attached hereto is form PTO/SB/44 with at least one copy being suitable for printing.

The error occurs in the patent, on the first page, in the Title at (54), and at Column 1, Line 1— this error and the correction thereof is detailed in the attached form PTO/SB/44.

This error is believed to have been made by the Patent Office since the application was filed with the title " LIQUID CRYSTAL DISPLAY DEVICE FOR PREVENTING AN AFTERIMAGE ", which reflects the word "AN" instead of "AND".

In the event any fees are due in connection with this paper, authorization is granted to charge such fees to Deposit Account No. 50-1063 [VNECP388US].
